1

Our team of trainers

Not only health and safety experts, our highly experienced trainers come from a variety of industry backgrounds and know how to engage with delegates to get the very best results.

3

Continuous improvement

ITTI,s is committed to continuous improvement and maintains its higher standards of its training operation.

2

Our results & reputation

ITTI,s highly regarded occupational safety training can help establish and maintain effective and successful safety procedures and strategies. Our focus on the individual needs of delegates and our practical approach to occupational safety training has proved so successful that many organisations go on to engage the skills of our trainers for specialist consultancy projects.

4

Our charitable status

By selecting ITTI as your safety services supplier, you are making a valuable contribution towards our charitable works.

ITTI Policies

HEALTH & SAFETY POLICY STATEMENT

Ibrahim Technical Training Institute consider the Health & Safety of all employees, trainees and customers (including apprentices) to be of primary importance to the well-being of the business and it is our continuing aim to make the Company a safe and healthy place in which to work and be trained. To achieve this, we must all take ownership of an active Health & Safety policy designed to achieve: -

- A safe and healthy environment for all employees and trainees.
- The prevention of accidents involving personal injury and occupational related diseases.
- The prevention of incidents causing plant damage, dangerous occurrences etc.
- The coordinated interpretation and implementation of statutory and other requirements to achieve good practices recognized by the Industry.
- Reducing Hazards and Risks
- The control of visitors and contractors on site.
- The undertaking of any tests, examinations, samples and records as are necessary to monitor the working environment and equipment supplied.

It is my duty to ensure that the Committee Members and I take ownership of health and safety matters and that the Company provide safe systems of work, training and a clean and healthy working environment within their sphere of business.

In its commitment to prevent injury and ill health to employees, learners (including apprentices), contractors and others affected by day-to-day operations, and in striving for continual improvement of the Health and Safety Management System, the Company sets annual objectives and targets against which its performance is monitored.

We will provide effective facilities for consultation between management and employee representatives;

All employees and trainees have the opportunity to address safety problems and health related matters with myself or with Numan Ur Rehman, designated 'Health & Safety Officer' for Company and placement matters.

Senior management recognizes the need to conduct the business in a manner that is in line with current legislation and codes of practice and will ensure that appropriate arrangements are in place to comply with all legislative duties and any other requirements.

ITTI Policies

EQUAL OPPORTUNITY POLICY AND PROCEDURE

Statement of Policy **Ibrahim Technical Training Institute** is an equal opportunities employer. This means that it is the Company's policy that there should be no discrimination, harassment or less favourable treatment or victimisation of any employee, job applicant, customer, provider of services or member of the public either directly or indirectly on the grounds of:

Race, nationality or ethnic origin; Gender, gender re-assignment, marital or family status; Disability; Trade union membership or activity; Sexual orientation; Age; Religion or religious beliefs; Pregnancy and maternity.

It is also Company policy that there should be no bullying of one employee by another for any reason.

In issuing this policy, the Company has three main objectives:

1. To encourage its employees to take an active role in combating all forms of harassment and discrimination;
2. To deter employees from participating in harassment or discriminatory behaviour; and
3. To demonstrate to all employees that they can rely upon the Company's support in cases of harassment or discrimination at work.

The Company is fully committed to providing a good and harmonious working environment that offers equal treatment and equal opportunities for all its employees and where every employee is treated with respect and dignity.

The Company recognises that the provision of equal opportunities in the workplace is not only good management practice; it also makes sound business sense. The Company's equal opportunities policy will help all employees develop their full potential and the talents and resources of the workforce will be fully utilised to maximise the efficiency of the organisation.

ITTI Policies

Tutor Review Policy

Ibrahim Technical Training Institute (ITTI) is having clear policy on reviewing the staff/trainer's performance.

ITTI is possessing Board of assessors who continually monitor the learner's feedback and monitor the trainer during the sessions and evaluate their monthly performance report. The Board included following individuals.

Mr. Saif Ur Rahman (Chairman of the board)

Mrs. Zaib Fiaz (Co-chairman of the board)

Mr. Zulqarnan (Lead Trainer)

Mr. Dr. Zeeshan Akram (Member of the board)

Mr. Muhammad Adnan Qadri (Lead Trainer)

Mr. DR. Samar Rahi (Advisor of board)

Mr. Numan Ur Rahman (Member of the board)

If any complaint is being reported by the learners or if any problem being identified during the session, the board member takes them very seriously and discuss it in their monthly meeting.

ITTI also believes on continual improvement, so the board regularly have meetings to discuss the progress and look for improvement in all sectors of ITTI.

After every course team member of the board sit together with the trainers and trainer provide the summary of the course to the team and they evaluate all student performance including the trainer performance and then that is being discussed within the board meeting.

ITTI is also believing on continual improvement for the trainers as well so therefor we are having a training calendar for the trainers and sending them for various courses to make sure they are gaining more and more knowledge while working with ITTI.

- In the classroom (virtual / face-to-face). Your tutor will guide you through the syllabus and, through a series of practical exercises and tutorials, provide you with core knowledge and understanding of the various topics and the requirements of the practical report. Our aim is to provide you with knowledge and understanding of health and safety management systems that can be applied in the workplace and to make sure that you are properly prepared for the examination. You will be provided with a study materials and books for all the courses.
- Much time will be spent discussing course topics/scenarios, either in pairs or as a class, so please be prepared to get involved. We also believe that you learn by writing things down, not by staring at a screen. Come prepared to write down key points, albeit with guidance from the tutor.
- Course Assessment, This covers the course examinations, practical assessment and/or assignment. It is your responsibility as a learner to ensure that you have been registered for the assessment that you are currently enrolled. You must also ensure that ITTI is informed of any medical issues that may impede your performance during your studies or any assessment.
